Medicare 5010A1 271 Transaction Example using the HETS Application

Not all of the information presented in this example will be on every Medicare 271 response. This example is for illustrative purposes only and shows the various eligibility information that a 271 response may contain, including Part A, Part B, SNF, Hospital, Preventive, Smoking Cessation, Blood Deductible, Hospice, MSP, Home Health, Medicare Advantage, Part D, Inactive Periods, Rehabilitation, and Occupational, Physical, & Speech Therapies.

Note: The information shown below is a representative example from the upcoming HETS R2014Q100 release.

Table 1 - Medicare 5010A1 271 Transaction Example

271 Segment	HETS Returned Values
